THE REPUBLICAN TICKET, nominated at Norfolk, Thursday night, is entirely satisfactory—to all the democrats of this city, but the same cannot be said of the republicans. The former say the ticket is the one they would have selected to beat if they had had the naming of it, and further declare that if they cannot beat Mahone in this city, where his corrupt methods are so well known and where so recently practiced, they cannot beat anyone. Many of the republicans, especially those whose republicanism antedates readjustment, are wholly dissatisfied with the ticket, and say that they have given to Gen. Mahone, as the democrats did before they can get rid of him. Several have positively announced that they will not vote for him for governor, and many, it is believed, will go fishing with Mr. John S. Wise, in spirit, at least, on election day.

Of course General Mahone's followers in this city are jubilant as much at his nomination as they are at the discomfiture of the "kickers," who they are now poking fun at, but the latter say they are yet to have their innings, and, as before stated in these columns, say that the Folger game will be very popular not only in this city, but throughout the State on election day. Certain it is that the republican ticket is not received hereabouts by the republicans with the same enthusiasm as that shown by the democrats with their nominees, and now that Mr. Frank Hume has announced that he will accept the nomination for the legislature, the democrats here are sure of success.

BOARD OF SUPERVISORS.—As stated in the GAZETTE the Board of Supervisors of the county met yesterday. Chairman Frank Hume, of Jefferson, and Supervisor Wilson, of Washington district, present.

John Wilson was awarded the contract for filling in the approaches to the new bridge at Wilson's Crossing, for 30 cents per cubic yard. The filling in the approaches to the bridge at Carlin's was awarded to Thos. J. Adams, for \$70.

The order for the continuation of the Mutersbaugh road from Fairfax county into Alexandria county was approved.

Several bills were audited for road and other purposes against the county and the officers paid for the month of August.

The Board then adjourned until the second Tuesday in September next.

INTERNAL REVENUE OFFICE.—Mr. Fortaine Beattie, as stated in the GAZETTE, was yesterday appointed by Capt. McCull deputy collector of internal revenue at this city. Mr. Beattie has given the required bond and this morning entered upon the discharge of his duties with Mr. Jas. Johnson as his clerk. Mr. Beattie upon taking possession found everything in "apple pie" order, his predecessor having left his books and accounts perfectly adjusted with not a mistake or inaccuracy of any kind. Capt. Beattie held this position several years ago under collector E. E. White and later under collector B. B. Botts, when the districts were consolidated. The office in this city had been closed since the retirement of Mr. Monroe on the 10th instant.

DEATH AT THE ALMS HOUSE.—Mrs. Eliza both Trekle, wife of the late Captain James Trekle, died at the Alms House on Thursday night, at which institution she had lived for the past six years. The deceased was well known in Alexandria, where she had lived throughout her life, which had been prolonged to almost four score and ten. The deceased was of a meek and quiet spirit and fulfilled her humble mission in life cheerfully and assiduously, and only ceased her career of usefulness when the waning powers of nature rendered her helpless. She had been blind for the past two years, which affliction she bore with true Christian submission.

POLICE REPORT.—Last night was cloudy and mild with one prisoner and one lodger at the station house.

The Mayor this morning disposed of the following cases:

Jeff Stewart, colored, arrested by officers Bettis and Arrington for disorderly conduct, was fined \$1.50.

Jas. R. Tallferro, of Fairfax county, was arrested and taken before Justice May charged with having a vicious horse in front of the market which bit at every one who passed. He was fined \$1.

EXPLOSION OF GAS.—A few nights ago Mr. J. W. Watkins, janitor of Potomac Lodge room, was severely burned by an explosion of gas in that building. He had had his attention called to the fact that there was an odor of escaping gas, and entered the room for the purpose of ascertaining the cause, and proceeded to the ante room, where he struck a match. Simultaneously there was an explosion, and before Mr. Watkins could escape from the room he was seriously burned about the face, neck and head.

DEAD.—As stated in the GAZETTE Mr. Mary E. Grove, the wife of Mr. Thos. A. Grove, of this city, died on Thursday evening about 7 o'clock, and will be buried from her late residence to-morrow evening at 5 o'clock. Mrs. Grove was ill for a long time and at periods suffered much, but bore her affliction with Christian patience and trust. Rev. I. M. Mercer, her pastor, will conduct the funeral.

MASONIC VISIT.—A delegation of Masons from the two lodges of this city last night, by special invitation, paid a fraternal visit to Hiram Lodge, of Washington, where they witnessed the conferring of the third degree upon three candidates. After the work of the lodge the visitors were entertained at a handsome banquet.

Just at Eminent Sir F. A. Reed has been appointed on the personal staff of the chief minister of the Knights Templar parade that takes place in Washington on October 8th, and right Eminent Sir Jas. Lee Beck, of Lynchburg, will command the 4th division in the parade.

Mr. William Demaine has returned from a visit to relatives in Ohio.

Mr. Park Agnew has gone to Philadelphia to spend a day or two.

Mr. O. H. Harlow has returned from an extended trip through the Northwest. He spent several days in Seattle and Spokane Falls.

Mr. and Mrs. Geo. D. Hopkins are making a trip through the Northern States.

Mr. Wm. McK. Fisher, formerly of this city, but now of Richmond, is here on a short visit to relatives.

AGAINST UNLAWFUL SHOOTING.—The residents of Fairfax county, below this city, have petitioned the Mayor to put a stop to gunning on the Potomac as a Hunting Creek bridge. They say that such gunners don't hesitate to fire their guns when carriages are passing there, caring little whether they frighten horses or not. The Mayor has taken the matter in hand, and, as stated yesterday, will not only put a stop to such practices but will also use every endeavor to break up unlawful gunning.

PROPERTY SALES.—The Misses Henderson have sold their interests in the property of the late Willis Henderson, in Fairfax county, below this city, which consists of 123 acres of land, to Mr. J. C. Smoot, for \$25 per acre.

Mrs. Wade, also one of the heirs of the late Willis Henderson, has sold her interest in the property, about 20 acres, to Mr. Thos. Fairfax, for \$25 per acre.

FATALITY AMONG HORSES.—A letter received in this city to day from King George county says that a strange and fatal disease has broken out among the horses in one part of that county, and that on the farm of the late Dr. R. H. Stuart seventeen horses have died within the past few weeks. Some think the horses were made sick by eating unsound wheat.

TOES CUT OFF.—A youth named Charles Ditzler, of this city, who was at Manassas this morning, went to sleep while sitting on the railroad platform there and rested his feet on the rail, when a train came along and cut off the ends of the toes of one of his feet. He was brought to his home in this city where he was attended by Dr. Kipstein.

ANOTHER STORM occurred on the lower river yesterday, during which the wind blew a gale and the lightning and thunder were very severe. The Colonial Beach steamer was caught by the storm just before she reached that place and many of her passengers became panic stricken and created a scene.

MR. AGNEW A COMMITTEEMAN.—The Alexandria delegates to the late Norfolk republican convention have returned, but don't say much about the proceedings. Mr. Park Agnew, of this city, was appointed at that convention one of the five members of the Eighth district committee.

## MEDICINAL.

Nothing like it. Its peculiar efficacy is due as much to the process and skill in compounding as to the ingredients themselves. Take it in time. It checks diseases in the outset, or if they be advanced will prove a potent cure.

No Home Should be Without It. It takes the place of a doctor and costly prescriptions. All who lead sedentary lives will find it the best preventive of and cure for Indigestion, Constipation, Headache, Biliousness, Piles, and Mental Depression. No danger from exposure after taking. Cures Colic, Diarrhoea, Bowel Complaints, Feverishness and Nervous Colic. Invalids and delicate persons will find it the mildest Aperient and Tonic they can use. A little taken at night insures refreshing sleep and a natural evacuation of the bowels. A little taken in the morning sharpens the appetite, cleanses the stomach and sweetens the breath.

A PHYSICIAN'S OPINION. "I have been practicing medicine for twenty years and have never been able to put up a vegetable compound that would like Simmons' Liver Regulator, promptly and effectively move the Liver to action, and at the same time aid (instead of weakening) the digestive and assimilative powers of the system." L. M. HUSTON, M.D., Washington, Ark.
